

**NEXT Munich** NEXT Munich produces content for mobile devices - fresh, innovative and technically competent. Smartphones, tablets and an increasing number of other everyday devices are taking over an ever larger area of our interaction with digital media, basically our living world. Do you feel like working intensively on the mobile platform for iOS and/or Android, developing cool apps for connected devices or dealing with exciting app scenarios in both B2C and B2B? Are you a dedicated developer looking to enter the workforce or take the next step in your career? We are always looking for outstanding talents who are passionate about our topics! For the next possible date we are looking for a

### **Xamarin Developer (m/w/d) for iOS and / or Android Apps**

#### **Tasks:**

- Development of complex applications for different mobile devices
- Support and consulting of key account managers and concept developers in the evaluation of all technical aspects of our App projects
- Regular research of the latest developments and innovations in the field of mobile applications

#### **Qualifications:**

- University degree in computer science or comparable education
- Very good knowledge in **C#** programming
- Extensive experience with **Xamarin Native** Apps and **MvvmCross 4**
- Experience in programming with either UIKit for iOS developers or Java/Kotlin for Android developers
- Good technical understanding of web technologies such as XML, HTML, JSON
- High quality standards and a flair for structured and readable code
- Working on macOS
- Visual Studio for Mac, Git, Jira, Bitbucket, Confluence
- English, in speech and writing

To ensure a balanced composition of our team, we are looking for a developer who is fluent in either English or German, both written and spoken. Speaking of team - if you would like to meet us virtually, we welcome you [here](#).

**We offer:**

- A motivated team and a collegial working atmosphere with flat hierarchies
- An interesting and varied field of activity with a lot of personal responsibility
- Modern workplace in one of the most beautiful offices in Munich
- Central location with good transport connections
- Coffee, drinks, fruit & sweets any time

Do you find yourself in this job profile? Then we look forward to receiving your application documents, including your salary expectations and earliest possible starting date. Please send your application by e-mail to: [jobs@next-munich.com](mailto:jobs@next-munich.com).
